## ADOPT A CLASS PROGRAM

The Mississippi Karting would like to invite you to consider adopting one of our 6 classes for the 2009 racing season.

Kid Karts / Age 5-7

Rookie Purple / Age 7-8

Blue Plate / Age 8-12

Gold Plate / Age 12-15

Stock Medium / Age 15-up

2 Cycle / 15-up

The adopted class will be known for the entire season as the (your company) class. This will include your name on all year end trophies and posted on our website as the same.

Your adoption of a class will offer the racers in the class the opportunity to race for first class awards at our year end banquet.

You will also receive a 4x8 sign placed on the track wall promoting you business as well an 8x10 photo of the class winners for your office.

Cost of adoption is \$500.00 per class
